- On approaches radio contact shall be established with LANGEN RADAR at least 25 NM prior reaching the airport.
- Approaches via LIMA will cross ATZ/RMZ/TMZ Egelsbach and will be coordinated by LANGEN INFORMATION in advance. Initial contact with EGELSBACH INFO at 118.400.
- Departures RWY 25 via NOVEMBER, all inbound via NOVEMBER and crossing traffic north to south and vice versa in exceptional cases only.
- All departures have to request a start-up clearance.
- Taxi instructions on the apron issued by FRANKFURT APRON.
- Arriving aircraft will be instructed by FRANKFURT TOWER to contact FRANKFURT APRON. Departing aircraft shall first contact FRANKFURT DELIVERY, report 'ready for taxiing' and will then be instructed to contact FRANKFURT APRON.
- DANGER: Possible wake turbulence.
